Sheboygan by Owner Service Agreement

sheboyganbyowner.com is a service company that helps "for sale by owner" buyers and sellers find each other. We achieve this by displaying our yard sign at a sellers property, posting for sale by owner properties online, and consistently promoting this website. We do not represent any buyer or seller in any real estate matters.

The service term is continuous until you close on the sale of your property, take your property off the market, or list your property with a broker. This means you may not end your listing for a time and then reinstate it without paying a new listing fee. Fees are non-refundable after yard sign has been delivered, or listing has been activated. Only one property per listing is permitted, and service may not be transferred between properties.

The yard sign and post are the property of sheboyganbyowner.com. The listing property owner agrees to mark a safe place to install the sign and post (a 12" spike is driven into the ground to secure the post). sheboyganbyowner.com is not responsible for any accidents, injuries, or damages involving the yard sign and post. The listing property owner agrees to make the sign and post available for return, or pay sheboyganbyowner.com \$100 for the sign and post. The listing property owner agrees to notify sheboyganbyowner.com as soon as listed property is sold, taken off the market, or listed elsewhere.

We install and pick up yard signs and posts within Sheboygan County and close surrounding areas. For signs beyond the delivery area, you can contact us to pick up a sign and post to install yourself. A deposit is required for this option.

The listing property owner is responsible for the accuracy of their listing. sheboyganbyowner.com does not guarantee listing content, and is not responsible for any inconsistencies, errors, omissions, or inaccurate information. sheboyganbyowner.com may suspend a listing for false, misleading, or objectionable content.

sheboyganbyowner.com is committed to helping property owners sell by owner. We do not list properties that are also under contract with a broker, or listed on any broker owned website. In addition, sheboyganbyowner.com reserves the right to end a listing if any other sign replaces our sign, or if our sign is removed.
